

Creamsource Doppio+

All units are supplied with the following:

- > Standard yoke for mounting on stand
- > AC Power Supply, 450W capacity, 90-250V auto-ranging
- > 5m Power header cable
- > 1 Medium diffusion lens
- > 1 Empty gel frame
- > IEC power cable for your country

Creamsource is a High Power LED luminaire designed for the Film and Television industries. Equally comfortable on location or in the studio, Creamsource is a truly versatile lighting tool.

A large output area creates the unique quality of 'wrapping' your subject in soft light, while the powerful LED engine provides intensity and throw to rival a Small HMI fixture. Only Creamsource can provide this mix of light properties in such a compact form factor.

Precision optics provide a consistent beam with naturally soft edges, while a wide selection of light control tools are available to shape and cut the beam to achieve exactly the look you require.

With exceptional build quality, it has been engineered for years of reliable service. Little wonder Creamsource is becoming an industry standard for lighting professionals around the world.

Product Specifications

CRI	Typical 95, minimum 90
TLCI	Typical 95, minimum 90
Beam Angle, SPOT Lens	13° (Half Peak Angle)
Tilt Angle	170° (Up), 80° (Down)
Mounting	28mm Spigot, 5/8th Socket Adapter
Yoke	Removable (Quick Release System). Pole Operated Yoke Available on Request
Filter Rails	2 Filter Rails for Secondary Lenses and Gels
User interface	High Precision Digital Rotary Encoder, 4 Button Keypad, Graphic LCD Display
Control	On-Board Interface, 5 Pin DMX In and Thru, Wired Remote Control
Dimming	0-100%, Continuous
High Speed Capability	Over 1000fps Flicker Free in High Speed Mode
Synchronization	Sync Input for Triggering and Syncing to Camera Shutter
Max Ambient Temperature	40°C
Cooling	Passive (Silent) Under Normal Conditions. Low Noise Back-Up Fans
Estimated LED Lifespan	50,000hrs (L70)
Input (Fixture)	24-32V DC, Max 14.6A, 350W
Input (Power Supply)	90-260V AC, 50-60Hz, Max 6.0A
Protection Class	IP20
Weight	9.4kg / 20.7lbs (Including Yoke)
Dimensions	770 x 455 x 100mm / 30" x 18" x 4" (Including Yoke) 654 x 332 x 100mm / 26.5" x 13.5" x 4" (Excluding Yoke)
Warranty	2 Years on Fixtures, 12 Months on Accessories
Certifications	CE, FCC, C-Tick, Pending: ETL, CSA
